Hello. My name is (2)  
I am 11 years old and I live in a small  
town called Vernon in Ontario, Canada.  
I am then assigned as an editor of the  
year project. This project will make  
up for the my further studies for

topic to be UFO's. I wrote this  
letter to ask if you had any in-  
formation about UFO's and if you  
do, to please send some to me  
I really need this information.
